OWNER: Fox Metro Water Reclamation District

PROJECT: 2026-06 Waubensee Community College Interceptor Sewer Extension

ENGINEER: Kimley-Horn and Associates, Inc.

Fox Metro Water Reclamation District (OWNER) hereby gives notice that sealed Bids for the above Project will be received until **10:00am prevailing time, on October 21st, 2026**, at the W.J. Ben Baines Memorial Administration Building, 682 State Route 31, Oswego, Illinois 60543. Bids shall be made on the forms furnished by the OWNER and shall be submitted at the identified designated receiving location at the W.J. Ben Baines Memorial Administration Building. **All bids must be hand delivered and deposited at the designated receiving location.** Bids received by mail or other delivery methods or after the stated time will not be accepted. After the official Bid closing time, Bids will be publicly opened and read aloud.

DESCRIPTION OF WORK: The Work generally consists of approximately 5,199 linear feet of 24-inch gravity sanitary interceptor sewer, 12 sanitary manholes, trenchless crossings, excavation support, groundwater control and dewatering, erosion and sediment control, restoration, testing, and associated Work. The Work includes trenchless crossings of Interstate 88, Blackberry Creek Tributary waterway, and Commonwealth Edison property, and connects to an existing downstream 60-inch manhole in The Grove - Phase 1. Bidders are responsible for becoming familiar with the site and the conditions affecting the Work, subject to the requirements of the Instructions to Bidders.

BIDDING AND CONTRACT DOCUMENTS: Bids shall be submitted only in paper form, enclosed in a sealed envelope and hand delivered to the Bid receipt location stated above. Clearly identify the envelope with the Project name, Bidder name, and other information required by the Instructions to Bidders. Electronic, facsimile, and late Bids will not be accepted unless expressly authorized by Addendum. Complete digital bidding documents are available at www.questcdn.com. Digital documents may be downloaded for \$50.00 by entering **QuestCDN Project No. 10368867** on the website's Project Search page. For assistance with free membership registration, downloading documents, or working with the digital project information, contact QuestCDN at 952-233-1632 or info@questcdn.com. Registered plan holders will automatically receive e-mail notification of any addenda and may access them through the QuestCDN website. Submit questions regarding the Bidding Documents in writing to Peter Lind at Peter.Lind@kimley-horn.com no later than **October 14th, 2026 at 9:30am**. Interpretations or changes affecting the Bidding Documents will be issued only by Addendum.

BID SECURITY: Bid Security in an amount not less than 10 percent of the total Bid shall accompany each Bid in accordance with the Instructions to Bidders. The successful Bidder shall furnish the performance bond, payment bond, insurance, and other post-award documents required by the Contract Documents.

PRE-BID CONFERENCE: A non-mandatory, pre-bid conference will be held at the Fox Metro Water Reclamation District, 682 State Route 31, Oswego, Illinois 60543, at **10:00 AM, on October 8th, 2026**.

BID REJECTION / ACCEPTANCE: Bidders shall be properly licensed and qualified to perform the Work. Qualification information shall be submitted as required by the Bidding Documents. The Owner may consider the Bidder's experience, available equipment, personnel, financial capacity, and demonstrated ability to complete comparable deep sewer, trenchless crossing, dewatering, utility coordination, and restoration work. OWNER reserves the right to reject any and all Bids, waive any informalities in bidding, or to accept the Bid or Bids, which best serve the interest of the OWNER. Bids shall remain subject to acceptance for 90 days after the Bid opening.
